

## Conditions to access data

---

- Signature of an NDA
  - The data should be only used in the context of the project
  - ORE Catapult should be granted access to any result produced in the context of the project
  - ORE Catapult should be mentioned in any publication
  - ORE Catapult is keen to collaborate in research activities, to be discussed on a case by case
  - We offer to contact our team involved in Levenmouth to clarify doubts and discuss about data availability.
    - Any request to be forwarded to Ross Fleming
-
