

SUPERGEN Wind Hub Showcase Session

Wednesday 3 April 2019

Room 2, level 5, Bilbao Exhibition Centre

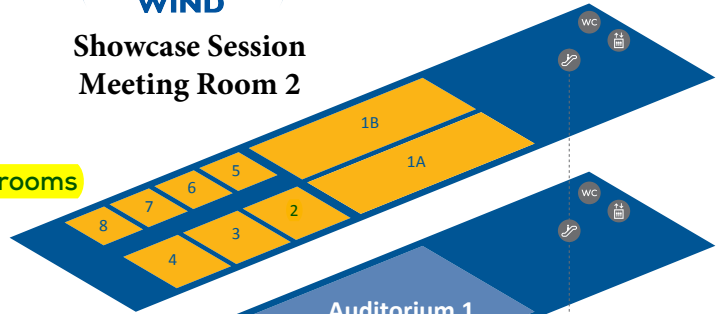

PROGRAMME

12:15-14:00	Conference Lunch
14:00-14:15	Introductions and overview of programme and themes Professor Bill Leithead, University of Strathclyde
14:15-15:00	THEME 1 PLANNING & CONSENTING Introduction by Chair – Dr Jim Halliday, STFC <ul style="list-style-type: none"> • Dr Grant Allan, University of Strathclyde <i>"Wind energy: economic, social and environmental analysis"</i> • Dr Phil Hancock, University of Surrey <i>"MAXFARM MAXimizing wind Farm Aerodynamic Resource via advanced Modelling"</i>
15:00-15:45	THEME 2 DESIGN, MANUFACTURING & INSTALLATION Introduction by Chair – Dr Sinisa Djurovic, University of Manchester <ul style="list-style-type: none"> • Professor Paul Weaver, Bristol University <i>"Servo-aeroelastic tailoring of wind turbines using new active-to-passive control systems"</i> • Professor Byron Byrne, University of Oxford <i>"Integrated Structural and Foundation Monitoring for Offshore Wind Turbines"</i>
15:45-16:00	Coffee and refreshments
16:00-16:45	THEME 3 OPERATION, MAINTENANCE & DECOMMISSIONING Introduction by Chair – Professor Simon Hogg, Durham University <ul style="list-style-type: none"> • Dr Donatella Zappala, Durham University <i>"Wind Turbine Condition Monitoring and Reliability"</i> • Dr David McMillan, University of Strathclyde <i>"Offshore Renewables ACcess, Loss Estimation & Safety (ORACLES)"</i>
16:45-17:00	Overview of projects and linkages arising from Supergen Wind Professor Bill Leithead
17:00-17:40	Presentations on other projects and linkages <ul style="list-style-type: none"> • Dr Alasdair McDonald, University of Strathclyde <i>"Modelling, Optimisation and Design of Conversion for Offshore Renewable Energy (UK-China MOD-CORE)"</i> • Professor Simon Hogg, Durham University <i>"Project AURA and EPSRC Prosperity Partnerships"</i>
17:40-17:50	Conclusion and the way forward Professor Bill Leithead, University of Strathclyde

Showcase Session Meeting Room 2

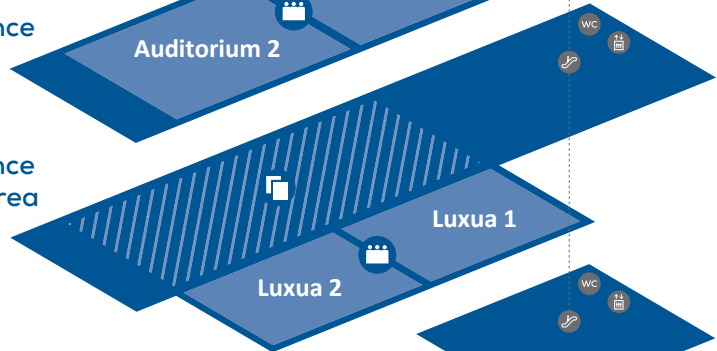

Level 5 Meeting rooms

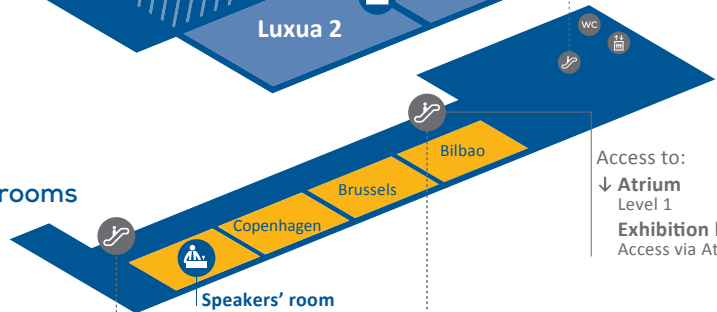

Level 4 Conference

Level 3 Conference Poster area

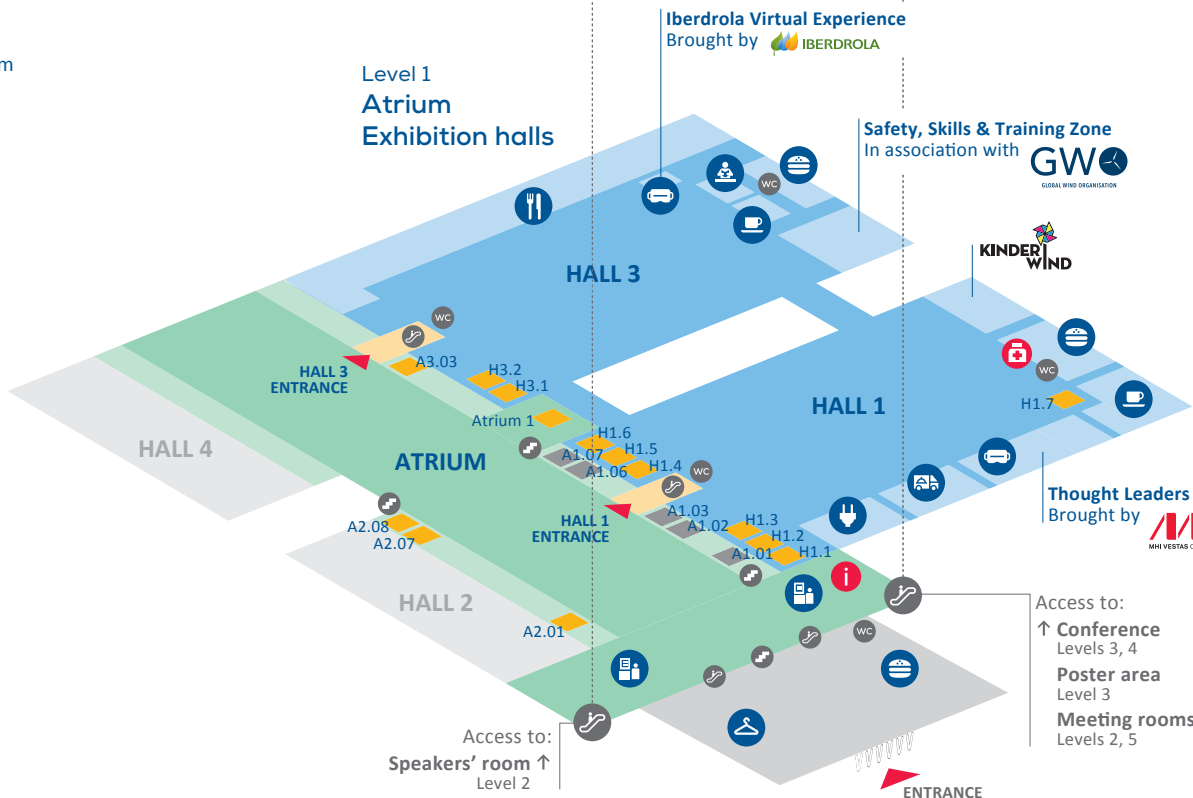

Level 2 Meeting rooms

Access to:
↓ Atrium
Level 1
Exhibition halls
Access via Atrium

- Coffee area
- Cloakroom
- Conference
- Escalators
- First aid
- Food trucks (€)
- Information
- Lifts
- Lunch area
- Media lounge
- Meeting rooms
- Poster area
- Power lounge
- Registration
- Snack bar (€)
- Speakers' room
- Stairs
- Toilets
- Virtual Reality

Level 1 Atrium Exhibition halls

Iberdrola Virtual Experience
Brought by IBERDROLA

Safety, Skills & Training Zone
In association with GW
GLOBAL WIND ORGANISATION

KINDER WIND

Thought Leaders Forum
Brought by MNV
MNV VERTAS OFFSHORE WIND

Access to:
Speakers' room ↑
Level 2

Access to:
↑ Conference
Levels 3, 4
Poster area
Level 3
Meeting rooms
Levels 2, 5
